About Wet Ape Productions:

Scott Emslie founded Wet Ape in 2007. With a background as a professional volleyball player, Scott decided to produce a large beach volleyball event called "VolleyFest" (2007). The event was a success and Scott and his team were hooked on the thrill of creating cool new events. Since 2007 the team hasn't looked back and Wet Ape is the proud owner of Canada's hottest beach festival, Center of Gravity, which draws 25,000 - 30,000 guests a year, and the Keloha Music and Arts Festival. Wet Ape produces large-scale arena shows with some of the biggest names in electronic dance music including Deadmau5, Calvin Harris, and Tiësto.
